**TEAC meetings are open to the public**

The role of the Transit Equity Access Advisory Committee is to provide a forum for the review and discussion of TriMet service, including planning, Title VI, Environmental Justice, operational and capital investments.

- Review TriMet budget choices and challenges;
- Recommend strategies and ideas for improved service to transit dependent populations;

- Assist in the dissemination of information about transportation services to community-based organizations, social service agencies and the community at-large within the TriMet district.
