**Reimagine Public Safety Advisory Committee meetings are open to the public**

The Role of the Reimagine Public Safety Advisory Community Committee is to advise TriMet and provide a public forum for discussions about the implementation of the Reimagine Public Safety recommendations.

Over the course of the committees work members will -

- Review Reimagine program budget choices and challenges.
- Recommend strategies and ideas for improved strategies and approaches to implementing Reimagine program recommendations.
- Assist in the dissemination of information about TriMet’s community informed efforts to make the public transit system more safe and welcoming.
